RE: Notice of change in cash deposit instructions for prelim determination in antidumping duty investigation of certain polyester terephthalate resin from People's Republic of China (A-570-024)

1. On 10/15/2015, Commerce published in the Federal Register (80 FR 62024) its affirmative preliminary determination of sales at less than fair value in the antidumping duty investigation of certain polyethylene terephthalate resin from the People's Republic of China (PRC), and on 11/10/2015, Commerce published in the Federal Register (80 FR 69643) a correction to some inadvertent errors in company names in the aforementioned affirmative preliminary determination (see message number 5314303, dated 11/10/2015). The cash deposit rates in that message were adjusted to reflect offsets for certain subsidies associated with the companion countervailing duty (CVD) investigation of this merchandise (C-570-025).

2. Effective 12/12/2015, provisional measures in the companion CVD proceeding expired, and as a result, suspension of liquidation was discontinued in that case (see message number 5348302, dated 12/14/2015). Therefore, effective that date, CBP should collect the full cash deposit rate calculated in the AD proceeding. Accordingly, effective 12/12/2015, for entries of polyethylene terephthalate resin from the PRC from the exporter/producer combinations listed below, CBP shall require a cash deposit equal to the following dumping margins:
